The 2024 GWM Tank 500 Ultra Hybrid is a bold, full-size 4x4 wagon that delivers serious power, luxury, and off-road capability in one impressive package. Under the bonnet, a 2.0L turbocharged petrol engine paired with a hybrid system produces a massive 255kW and 648Nm, matched to a smooth 9-speed automatic and full-time dual-range 4WD for effortless...
